Ribbon Poppy

EASY

**DIFFICULTY** ●●●

Approximate Time of Project: 10 minutes

**MATERIALS**

Wide red ribbon  
Thread  
Stiff black felt  
Black button  
Safety pin

**EQUIPMENT**

Scissors  
Sewing needle  
Fabric glue

**STEPS**

1. Cut a 30cm length of ribbon.
2. Tie a knot at the end of the threaded needle and do a running stitch along one raw edge, along a long side of the ribbon and along the other raw edge.

3. Pull the running stitch tight to create a gather in the ribbon.
4. Stitch the centre together to secure the gather.
5. Sew the button to the middle of the Poppy to hide the gather.
6. Cut a 3cm circle from the felt. Stitch the safety pin to one side.
7. Glue the other side of the felt to the backside of the Poppy. Allow to dry completely before pinning to clothing.
