STEPS

1. Twirl florist tape tightly around dowels and it will stick to itself.

3. Fill heart with fairy floss fill and add dowel . Using a needle and thread, sew the gap together. Tie a satin red ribbon at the bottom of the heart and glue a bow on. Repeat until you have 7 hearts.
4. Cut to size a piece of Sullivans mirror red foil cardstock to fit in the wooden tray behind the word love. Cut to size dry florist foam to fit inside the wooden tray. Cut to size a piece of Makr burlap to sit on top of the dry florist foam.
5. Use a craft knife to make small incisions in the Makr burlap and arrange hearts fitting through it. Push the taller hearts down at the back and the shorter ones in the front.
6. Glue some Famous maker chocolate eclairs on the burlap.
