Bunny Butt Wreath

INTERMEDIATE

DIFFICULTY ●●●

Approximate Time of Project: 120 minutes

MATERIALS

Decofoam Wreath 355mm
 Template
 Decofoam Ball 65mm
 Faux Fur Pink and White
 Sullys Eva Foam Glitter Sheet White
 Pink, White and Silver Ribbon
 Fairy Floss Fill
 Jewellery Wire

EQUIPMENT

Wire Cutter
 Fabric Scissors
 Glue gun/glue sticks

STEPS

1. Use Template to cut all the pieces.

2. Glue white faux fur (template A) to the decofoam wreath. Tie a white piece of ribbon to the wreath for the hanging.

3. To make the ears

Cut a piece of jewellery wire and shape it around the circumference of template C and twirl at the end. Glue the wire to the wrong side of the white faux fur (template B). Glue the other piece of white faux fur (template B) over the wire. Glue the pink faux fur (template C) to the top of the ear. Repeat with other ear and glue them to the top of the wreath.

4. To Make the feet

Glue half of the white faux fur (template D) to the eva glitter foam (template D). Fill with fairy floss fill and glue the gap close. Glue pink faux fur paws (template E) to the bunny foot. Repeat with other foot and glue them to the wreath.

5. To make the tail

Cut a large enough circle out of the white faux fur to cover the decofoam ball. Glue the white faux fur to the decofoam ball. Glue the tail to the wreath.

6. Tie a pink and silver bow and glue them to the wreath. Decorate with colourful glitter foam eggs.
