1. Lay fabric square right side down and place the wadding on top. Pin it together. Draw an X from corner to corner. Sew over the X. Do the same on the Pink fabric and wadding.

2. Fold the fabric square in half with right sides facing inwards. Pin it in place. On both sides, mark at the fold 2 inch inwards and 1 inch upwards. Draw a line for the dart. Sew on the line.

3. Fold the fabric square in half the other way with the right sides facing inwards. Pin it in place. Mark the darts and sew.

4. Repeat step 2 and 3 for the pink fabric.

5. Nest one bowl cozy into the other, right sides together. Line them up so the corners and darts match up. Pin together and sew leaving a gap to turn right side out.

5. Turn right side out. Tuck in raw edges and sew the gap close.

6. Top stitch all around the bowl cozy.
