Finger Print Flower Pot

Easy

DIFFICULTY

Easy - Approx. 1 Hour plus drying time

MATERIALS

- Paper mache flower pot medium
- Arbee wooden paddle stick jumbo
- Makr acrylic paint:
 - Wheat, Norfolk green, Grevillea red, Warragamba green and Jacaranda lilac
- Green paper
- Black marker
- Assorted buttons
- White air dry clay
- Photo

EQUIPMENTS

- Template
- Paint brushes
- Glue gun / glue stick
- Makr white glue stick
- Scissors

STEPS

1. Paint the flower pot and paddle stick.
2. Finger paint some flower pedals onto the pot.
3. Glue buttons to the centre of the flowers.
4. Cut out template. Glue photo to the centre of the flower. Glue flower to the paddle stick.
5. Roll the air dry clay and place it at the bottom of the flower pot. Push the paddle stick into the air dry clay.
6. Cut strips of green paper and write special messages on them for mum. Roll them up and fill the bottom of the flower pot.
