## Everlasting Infinity Scarf

Intermediate

### DIFFICULTY

Intermediate - Approx. 1.5 hour

### MATERIALS

- Lincraft Cakes, Yellow/Orange Kirby x1
- Waste yarn, any 2 colours

### EQUIPMENTS

- Makr Knitting Machine
- Scissors

### STEPS

1. Slide the mode switch on to T for Tube knit.
2. Cast on waste yarn and knit 15 rounds.
3. Remove waste yarn from the tension gauge and the yarn guide. Place the end of the yarn in the middle.
4. Cast on cake yarn. Use all the yarn. Remove cake yarn from the tension gauge and the yarn guide, leaving a 60cm end and place it into the middle.
5. Cast on waste yarn and knit 15 rounds.
6. Remove waste yarn from the tension gauge and yarn guide. Place the end of the yarn in the middle.
7. To cast off, turn the handle clockwise and drop all the stitches off the hooks. Continue until the tube is completely removed from the knitting machine.
8. Lay the scarf flat so there is no twist. Thread the end of the yarn through a yarn needle and whip stitch both ends of the scarf close. Remove waste yarn on both ends. Whip stitch the two ends together to create the infinity scarf.
