Lincraft

Snow Covered Tree

#A562

DIFFICULTY ● ● ●

Approximate Time of Project: 1+ hour

MATERIALS

Paper Mache Tree
White paint
Green paint
Craft glue
Sullivans Superfine Glitter – silver

EQUIPMENT

Brush

STEPS

1. Undercoat the tree with white paint. Allow to dry fully before next step.
2. Paint the tree green. Use downwards strokes on each leaf. Allow to dry fully before next step.
3. Dry brush the white paint onto the edge of each leaf. Allow to dry fully before next step.
4. Apply a small amount of glue on each leaf, sprinkle glitter and allow to dry.
