Flower Mirror

Easy

DIFFICULTY

Easy - Approx. 2 hour

MATERIALS

- Variety of air dry clay colours
- Mirror

EQUIPMENTS

E600 Glue

STEPS

1. Roll air dry clay into balls. Stick 5 balls of the same colour together to make a circle. Stick a smaller ball in a different colour to the centre. Make multiple flowers that are different sizes and colours.
2. Allow to dry.
3. Position the flowers onto the mirror and glue them in place.
