Reindeer Christmas Bauble
easy

DIFFICULTY ●●●

Approximate Time of Project: 1.5hours

MATERIALS

Shatterproof bauble 70mm
brown paint
Joggle eyes
Rope ribbon
Red ribbon
Santa hat sticker
Bronze glitter foam sheet
Jingle bell
Red round wood bead
Red glitter
Pva glue
Paper towel
Reindeer antler template

EQUIPMENT

Glue gun
Scissors
Paintbrush
Craft knife

STEPS

1. Start by squeezing brown paint inside the bauble and swirl to cover the entire inside. Allow it to drip dry on paper towel.
2. To make the antlers, print and cut the free template. Trace the template onto the bronze glitter foam and cut out 4. Pair up the antlers and glue them together. Glue the antlers at the top of the bauble with the Santa hat in the center.
3. Glue a piece of rope ribbon at the top to hold the bauble.
4. To make the reindeer nose brush the red round bead with red PVA glue and sprinkle with red glitter. Glue the nose to the bauble and stick the joggle eyes on.
5. Use red ribbon to tie a bow and glue a jingle bell in the center of the bow. Glue the ribbon to the reindeer.
