How to decorate
a Christmas Tree

EASY

DIFFICULTY ●●●

Approximate Time of Project: 60 minutes

MATERIALS

Christmas Tree
Christmas lights
Christmas Tinsel
Christmas Baubles
Christmas Picks
Christmas Star

HELPFUL HINTS

- Check your lights work before you decorate your tree.

STEPS**1. Assemble Christmas Tree**

Follow the instructions on the box on how to assemble the Christmas tree correctly. Fluff the branches so they look fuller and more natural.

2. Add Christmas lights

Working from the top of the tree wrap the Christmas lights around the tree moving downwards. Wrap them symmetrically so they are evenly spread.

3. Add Tinsel

Working from the top of the tree wrap the tinsel around the tree moving downwards. Wrap them symmetrically so they are evenly spread.

4. Add Christmas baubles

Hang larger baubles first and spread them out evenly. Hang smaller baubles to fill up gaps.

5. Add any special decorations and picks

Add any special ornaments and picks to fill up the tree.

6. Christmas Star

Add Star at the top of the Christmas tree.
