Wool needle

HELPFUL HINTS

Pom poms can be strung on a length of string to make a garland or simply placed around the house as is.

STEPS

1. Make (roughly 10) pom poms.
2. Cut out features from felt.
 - a. For eyes: cut ovals from white felt. Glue smaller circles of black felt to the top.
 - b. For teeth: Cut a half moon shape from black felt, cut and glue white felt in teeth shapes to the black.
 - c. For tongue: Cut a half moon shape from black felt, cut and glue pink felt in a solid "U" shape to the black.
 - d. For horn: Cut a large triangle from felt, roll into a cone shape and glue end down.
3. Hot glue the features to the pom pom.
4. Repeat for all remaining pom poms.
