## CLAY GHOSTS

DIFFICULTY ●●●

**Approximate Time of Project:** 20 min  
(drying time not included)

### MATERIALS

White air dry clay  
Battery operated tea light candle

### EQUIPMENT

Rolling pin  
Circle cutters (various sizes) or knife  
Foil

### STEPS

1. Roll clay to 3mm thickness
2. Cut it into a large circle (roughly 10cm diameter)
3. Cut 2 eye holes in the clay just off centre.
4. Roll the foil into a ball small enough to fit in a cupped palm.
5. Place the clay circle over the foil letting the edges droop down. Adjust so the face sits straight.
6. Once dry, remove foil.
7. Turn a tea light candle on and place free standing ghost over, lighting it up from the inside.
