VENTURE  
YARN

Herringbone Scarf  
with Fringing  
INTERMEDIATE KNIT

The variegated nature of our Venture yarn lends itself perfectly to this striking herringbone stitch. This stitch is the perfect choice for someone new to knitting, who can confidently knit and purl and wants to try something new. We recommend working from two balls at once at alternating between rows to avoid colour pooling.

#### FINISHING

Weave in all ends and stretch gently into shape.

To add fringing to the scarf, begin by cutting equal lengths of C1. Fold three strands of yarn for one fringe, forming a loop at one end. Take your hook and ins the hook from the back of the work, draw the loop through the edge stitch of one end of the scarf. secure the fringing by pulling the ends of the yarn through the loop. Repeat this process on every alternate stitch until the end of the row. Repeat for the other end. You may comb out the yarn to create a fluffier fringe.
