DIFFICULTY ● ● ●

INSTRUCTIONS

Step 1:

Cut the backing fabric panel – 27cm x 27cm.

Step 2:

Cut the front panel – cotton homespun – 27cm x 27cm.

Step 3:

Cut batting – 27cm x 27cm.

Step 4:

Cut out templates – trace larger ones onto fabric [8 times] and the smaller one onto the interfacing [8 times].

Step 5:

Iron the interfacing onto the wrong side of the wedges.

Step 6:

Fold seam and iron.

Step 7:

Measure centre on cotton homespun fabric and sew wedge with matching colour.

Step 8:

Sew all wedges onto cotton homespun leaving a small gap between each wedge. Pull all threads through to wrong side.

Step 9:

Create sandwich by laying the backing fabric – wrong side uppermost. Then lay batting and then the white/wedges – right side uppermost.

Step 10:

Pin sandwich together to keep in place.

Step 11:

Sew vertical lines with contrasting colour using double side tape as a guide leaving a 2cm border.

Step 12:

Pull all threads to the back, secure and sew into sandwich to hide threads.

Step 13:

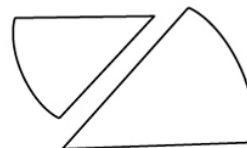

Carefully trim 2cm border of the cotton homespun and batting only.

Step 14:

Fold backing fabric to the front – 1cm and then
