

Esther Waffle Stitch Scarf EASY CROCHET

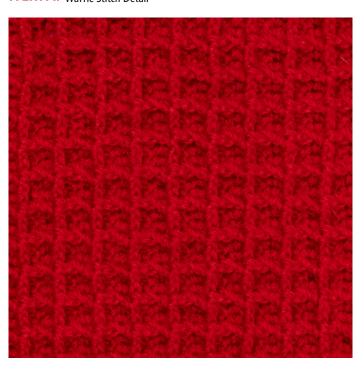

A warm and wonderfully textured stitch, this waffle stitch scarf pattern is great for keeping the cold at bay. It's a pattern that's ideal to give as a gift or to charity as there's no need for specialty sizing and anyone can use a scarf! Worked up in a dense waffle stitch, it's a quick and simple stitch that uses treble crochet and front-post treble crochet to create a waffle textured appearance.

Weave in any ends. If desired, add fringing to scarf as per the instructions below

Fringing:

To add fringing to the scarf, begin by cutting equal lengths of C1. Fold three strands of yarn for one fringe, forming a loop at one end. Take your hook and ins the hook from the back of the work, draw the loop through the edge stitch of one end of the scarf. Secure the fringing by pulling the ends of the yarn through the loop. Repeat this process on every third stitch until the end of the row. Repeat for the other end. You may comb out the yarn to create a fluffier fringe.
