Ear Savers For Use
With Masks

EASY CROCHET

Our ear savers are a simple and easy project for anyone to whip up for healthcare workers or loved ones. To be used with a mask, they offer relief from rubbing or itching caused by the elastic straps. Please refer to P117 Knitted Mask or P118 Simple Crocheted Mask for DIY Face Masks.

Please use only the yarn specified. Another yarn is likely to yield different results. Quantities are approximate as knitting styles may vary between knitters. Check the ball bands to ensure all yarn is from the same dye lot.
