SEAMING

Using 4.5mm hook and 'Bottle' yarn.

Lay front panel flat, right side up. Lay one back panel on top so top two corners align with the top two corners on the front panel. Join yarn at the bottom right corner of the back panel. Working up the right side, across the top and down the left side, sl st through both layers to join. Fasten off.

Repeat this process for the second back panel. Back panels will overlap. Fasten off, sew in ends.

CHRISTMAS LIGHT DETAILS

Using 'Black' yarn and a wool needle.

Turn cushion cover right side out.

Starting at the top right corner, attach black yarn. Thread black yarn through bobbles. When you reach the sides of the cushion thread black yarn through seam and continue to next row of bobbles.

Once you've threaded black yarn through all bobbles, fasten off in bottom left corner and sew in ends.
