FINISHING

Cut Yarn, leaving a long enough thread to sew up seam. Use a wool needle to thread yarn end through the live stitches remaining on your needle. Remove stitches from needle, draw up thread and secure. Sew the side seam.

MAKING POMPOMS

- Using 8cm rings from Sullivans PomPom maker. If using cutout cardboard, make 2 x 8cm rings with 3cm diameter hole in the centre.
- Cut long lengths of each of a mix of 6 colours, or same colour yarn, twist and wind into a sausage shape ball, small enough to fit through the centre hole.
- Wind the yarn through the centre and round the circles evenly and close together.
- Continue until no more yarn will fit through the centre hole.
- Use a sharp pair of scissors to snip through the yarn around the circumference of the circle.
- Take a length of yarn and pass between the circles. Tie a tight knot to hold all the layers of the pompom together.

CC1 below refers to Colour Comination 1, and CC2 refers to Colour Combination 2.
