Crystal Cardigan

INTERMEDIATE KNIT

This cardigan has single ribbed k1/p1 fronts with no shaping. The back has a centre panel of single rib, with stocking stitch on the edges and raglan shaping at the shoulders. The sleeves are fitted and raglan shaped in stocking stitch, and also have a narrow centre panel of rib. All the ribs portions of the cardigan segments (sleeves, back and fronts) are put on stitch holders at the end. These are transferred to a circular needle, and knitted all in one piece as a continuation of the rib, to make an oversized collar.

There are 3 LENGTH OPTIONS to this cardigan: Crop length, Mid length and Maxi length. There are also 2 SLEEVE LENGTH OPTIONS: ¾ Sleeve, and Full Length Sleeve.

These options mean you can adapt your cardigan to suit your winter garment needs. A ¾ Sleeve and crop length may be suitable for a milder winter or transeasonal weather; while the midi length full length sleeve is a lovely warm winter garment for a cooler climate. The maxi length caridgan is the elegant version of this cardigan, that really makes the most of the drape quality of the Alpaca fiber in this beautiful Crystal Yarn.

NOTE: This pattern is written in British English. All measurements in charts and instructions are in cm. For conversion from centimetres to inches please divide by 2.5cm. Please be aware that there are different terms for crocheting and knitting in American and British English, if in doubt, we've included a list of common abbreviations.

Please use only the yarn specified. Another yarn is likely to yield different results. Quantities are approximate as knitting styles may vary between knitters. Check the ball bands to ensure all yarn is from the same dye lot.
