Wave Top

INTERMEDIATE CROCHET

This is a crop length top with a drop shoulder and  $\frac{3}{4}$  sleeve. The pattern starts with an undulating stitch pattern that creates the wave formation for the rest of the rows; then alternating between compact stitch rows and open lacy rows, and changing colours for each. The model is wearing a size XS/S, and although sizes are provided below for body length and width, you can customise these measurements by adding rows for length, and stitches to the foundation chain for width.
