This is easy knitting and a fun Christmas project that is a perfect beginner activity. The hat is knitted flat in a simple stockinette stitch, with basic shaping techniques to make the hat shape to a point. It is finished with a seam in the back, and a tassel and pompom. The pom-pom is made in our Teddy Soft yarn to add that perfect Christmas fluff. You can also personalise the hat; by cutting out felt letters to make names. Use colourful felt fabric following our wonky alphabet, and glue the letters onto the hat so that anyone in the family can become Santa's Helper.

TO FINISH

To make tassell wrap Col A yarn around the palm of hand about 50 times to make a skein. Take skein off the hand, and secure one end by wrapping a thread around several times, and tie a secure knot, leaving about 2cm loops at the edge. Trim the other end.

To make pompom wrap Teddy Soft yarn around palm of hand about 40 times. Take off the hand, and secure in the middle by wrapping thread around a few times and tie a secure knot. Trim the edge of the pompom to make a round shape.

Attach tassell and pompom to the hat.

Cut out felt letters, following our wonky alphabet as a guide. Glue letters onto the hat to personalise with a name.
