This is like a double colouring-in project for both adults and kids alike. First use your colour pencils to experiment with colour combinations for the knitting pattern using our colouring-in template. Then knit the pattern colours to make pencil sleeves. The addition of these covers to the colour pencils will bring a whole new excitement to your next colouring-in project. This is a simple tube knitting technique using either circular or double pointed needles, where only the knit stitch is worked to the end of a row and the knitting is not turned, but instead the stitches are slid to the other end of the needle so the next row can be worked from the right side again.

MEASUREMENTS

ONE SIZE

Length	9cm
Width	3cm

YARN REQUIRED

Makr **ORGANIC COTTON Yarn 100g balls**

Various Colours	1
-----------------	---

NOTE: This pattern is written in British English. All measurements in charts and instructions are in cm. For conversion from centimetres to inches please divide by 2.5cm. Please be aware that there are different terms for crocheting and knitting in American and British English, if in doubt, we've included a list of common abbreviations.

Please use only the yarn specified. Another yarn is likely to yield different results. Quantities are approximate as knitting styles may vary between knitters. Check the ball bands to ensure all yarn is from the same dye lot.
