# Drink Bottle Bags

EASY CROCHET

This pattern starts at the base with a magic ring working upwards for the body, up to the straps which are integrated without joining off. The length of the straps is adjustable, so you can decide how long to make it. You can add a crochet letter to monogram the bottle bag; see our Crochet Alphabet Pattern, P345.

NOTE: This pattern is written in British English. All measurements in charts and instructions are in cm. For conversion from centimetres to inches please divide by 2.5cm. Please be aware that there are different terms for crocheting and knitting in American and British English, if in doubt, we've included a list of common abbreviations.

Please use only the yarn specified. Another yarn is likely to yield different results. Quantities are approximate as knitting styles may vary between knitters. Check the ball bands to ensure all yarn is from the same dye lot.
