MAKR
COTTAGE LOOM

Cat Cocoon

EASY CROCHET

Make this ultimate snoozing spot for your kitty with this crocheted Cat Cocoon. This little house is the shape of a mouse with ears and a tail which your cat will love to play with, and so this also becomes a cat toy. A simple single crochet stitch is used throughout the pattern where the entrance is made by crocheting over a wire ring, which gives support and holds the shape of the cocoon; while the middle portion increases to expand, and then narrows with the tail made as a crochet chain at the end. The ears are made separately and attached.
