Koala Mat

EASY KNIT

Make your very own Koala Bear with this snuggly floor mat. Knit a circle shape for the Koala head using a wrap-and-turn technique, and the same technique again for semi-circles for the Koala ears. Nose, eyes and ear parts are cut out of felt, using the templates on page 4 and 5, and stuck down with glue to the Koala. This is a simple pattern that will grow quickly with our Thicck and Chunky yarn and big needles.
