Paint Palette Keyring

EASY

**DIFFICULTY** ●●●

Approximate Time of Project: 1.5hours

**MATERIALS**

Arbee raw beads 55x 35 mm  
Arbee match sticks  
Makr Burnt Sienna Paint  
Makr Black Paint  
Air Dry Clay, Brown  
Sullivans Jump Ring 7mm  
Snap Clips Small  
Glitter foam paper, purple, gold, red, blue and light green

**EQUIPMENT**

Paint Brushes  
Super Glue  
Pliers  
Circle hand punch

**STEPS**

1. Paint Arbee raw bead burnt sienna.
2. Paint Arbee match stick black
3. To make paint brush, roll a piece of brown air dry clay into a oval shape. Press the air dry clay around the end of the match stick. Pinch the end of the air dry clay to give a little point.
4. Punch out a circle of each glitter foam paper using the circle hand punch.
5. Super glue the paint brush onto the paint pallet.
6. Superglue each glitter foam paper to the paint pallet.
7. Hold a pair of pliers in each hand, grasp the jump ring on either side of the opening and twist in the opposite direction. Insert the opening of the jump ring through the small hole at the top of the paint pallet. Slide a snap clip onto the jump ring. To close the jump ring, twist in the opposite direction.
