**DIFFICULTY** ●●●

### INSTRUCTIONS

#### Step 1:

Transfer the template, square, small, medium and large petals onto the white foam.

#### Step 2:

Cut out square. Cut out 6 large petals, 12 medium and 12 small.

STAMP TEMPLATES

#### Step 3:

Paint one side of the large petals with Mod Podge and glue in the centre of the square to create centre of flower.

#### Step 4:

Paint one side of the medium size petals with Mod Podge and glue 2 petals in between 2 large petals to form the second row of the flower.

#### Step 5:

Paint one side of the small size petals with Mod Podge and glue 1 petal between each petal to form the third row of the flower.

#### Step 6:

Allow to dry. Use with paint or ink to stamp onto paper/cardstock.
