

**You will need**

- 2 x Ruby Rock It Soiree cardstock**
- Ruby Rock It Orange felt frame**
- Ruby Rock It Florets**
- Ruby Rock It Trim**
- Ruby Rock It Butterfly metal appliques**
- Ruby Rock It Orange chipboard alphabet**
- Ruby Rock It Paper Mache 13cm cube box**
- Wet & dry adhesive**
- 13 eyelets**
- Small alphabet stickers**

**Step 1:** Cover the outside of your box and lid with Soiree cardstock.

**Step 2:** Cut two strips of the reverse side of the Soiree cardstock 15cm x 3cm and attach these to the lid of the box for contrast.

**Step 3:** Embellish the lid further by attaching an inside square of the orange felt frame to the middle of the box lid. In the middle of the box lid punch an eyelet hole. Knot a length of green tulle from the Summerhouse trim pack and thread from the back of the lid to the front. Thread a metal appliqué butterfly on the front side and knot the end together so it makes a loop. This creates the handle for the lid so it easy to lift on and off the box.

**Step 4:** Cut an 11cm x 3cm piece from the reverse side of the Soiree cardstock. Punch 12 eyelets side by side (6 on the left hand side and 6 on the right hand side) and thread green tulle between each and knot as shown. Attach to the left front side of your box 2cm down from the top edge.

**Step 5:** Embellish the front of your box with florets, the word stuff from the chipboard alphabet and the word SPECIAL with tiny alphabet stickers.
