LIFT, CLICK & GO!

Contractors often need safety solutions that offer versatility without added difficulties. The revolutionary Penetrator X5 ships are ready to use and safely protect up to seven workers at a time. Weighing less than 600 lbs., the X5 provides fall arrest safety for five workers and an additional two workers in restraint, all at the same time. When it's time to relocate, our premium non-flat tires allow for quick relocation so our customers can resume their work without sacrificing productivity.
