

NITRILE EXAMINATION GLOVES

Intco AdvanCare Gloves

100 gloves / box
10 boxes / case

Compliant with ASTM D6319, ASTM D6978, FDA 510K & Health Canada

Intco Medical is a high-tech manufacturing company committed to R&D, production and marketing of medical disposable products and durable equipment with main business covering medical protection, rehabilitation nursing, physical therapy and disposable examination. INTCO Medical has been exported high quality products to more than 120 countries.

AdvanCare nitrile exam gloves help reduce the risk of spreading infection or disease. They are non-sterile, latex and powder free. This product is an economical and effective choice to protect against unwanted, dangerous and potentially infectious substances. They complete the range of personal protective equipment designed for the vast majority of professional and medical operations. ideal for healthcare workers, first responders, dental offices, beauty treatments and nursing homes.

Physical requirements	Before Aging	Tensile Strength (MPa)	≥ 14														
		Ultimate Elongation (%)	≥ 500														
	After Aging	Tensile Strength (MPa)	≥ 14														
		Ultimate Elongation (%)	≥ 400														
Powder residue		<2mg/glove															

Material	Nitrile
Water Test AQL	1.5 AQL
Description	Non-sterile, latex-free, powder-free, ambidextrous. Chlorinated glove for easy donning and removal, beaded cuff to reduce glove roll down and ripping, textured fingertips to provide grip and sensitivity
Sizes	XS, S, M, L, XL
Color	Sky blue
Conservation	Store in a clean, cool and dry place. Avoid excessive heat (Max 38°C).
Expiration date	5 years after manufacturing date
Manufactured in	China
Certifications	Compliant with ASTM D6319, ASTM D6978, FDA 510K, Health Canada & manufactured in ISO 9001 and ISO 13485
Chemotherapy	Yes, meets ASTM D6978 for resistance to permeation by chemotherapy drugs

Size	Product code
XS	ANBM10013
S	ANBM10014
M	ANBM10015
L	ANBM10016
XL	ANBM10017
