

NITRILE EXAMINATION GLOVES

Halyard Purple Nitrile

Compliant with ASTM D6319 & ASTM D6978

100 gloves / box
10 boxes / case

Halyard a brand of Owens & Minor provides the clinically-superior solutions that are essential for healthcare customers to do what they do best—provide superior patient care. With their significant Americas-based manufacturing footprint, vertically-integrated supply process, and rigorous quality standards, O&M empower the best possible clinical and patient outcomes by ensuring that care providers have what they need, when they need it, no matter the situation.

The HALYARD PURPLE NITRILE* Exam Gloves are heavy-weight nitrile gloves. They provide excellent barrier protection from chemicals, foreign substances and bodily fluids. PURPLE NITRILE-XTRA* Exam Gloves offer the highest level of chemotherapy protection available in the HALYARD* line of nitrile exam gloves.
