

## NITRILE EXAMINATION GLOVES

# Medline SensiCare Silk

Compliant with ASTM D6319 & ASTM D6978

250 gloves / box  
10 boxes / case

Through a commitment to make healthcare run better with a culture of responsibility and understanding, Medline is the largest privately-held manufacturer and distributor of medical supplies providing products, education, clinical programs, and services across the continuum of care with offices in 20 countries. Caring for patients while protecting your staff is more critical than ever.

Trust Medline SensiCare for affordable high-performance protection for quality patient care as they are brand recognized by all healthcare professionals. Also, these gloves are recognized as soft and comfortable to provide outstanding tactile sensitivity. Furthermore, the SmartGuard barrier film helps to keep gloves in the box, so you take only what you need to reduce waste which is critical to limit shortages
