# About

The Cochlear™ Nucleus® 6 Product Catalogue lists components and accessories that are available for the Cochlear Nucleus CP910 and CP920 (“CP900 Series”) Sound Processors, Cochlear Nucleus CR210 Remote Control and Cochlear Nucleus CR230 Remote Assistant. This catalogue includes products that can be ordered by cochlear implant recipients and their carers.

To order items in this product catalogue please contact your clinic or nearest Cochlear office.

Please note that:

- Images shown are not actual size.
- Products are available as single items only, unless otherwise stated.
- Products shown in this catalogue might not be available in all countries and configurations or product specifications may vary.
