VISITOR MANAGEMENT: BEST PRACTICES FOR SAFETY, SECURITY AND SUCCESS

In today's unsure times, your organization faces a myriad of potential threats: crime, vandalism, industrial espionage, global terrorism, and workplace violence, among others. The security of your employees and property are at risk every day – and it all begins at your front door.

Now more than ever, it's vitally important to have an effective visitor management system that will keep the wrong people out – and create a smooth, professional experience for your welcomed visitors.

Why is a Visitor Management System Important?

1 **You know who is in your facility - at a moment's notice.**

- Access to accurate, real-time records of non-staff presence
- Seamless visitor documentation and an easy-to-access audit trail

2 **You're prepared for visitors who may not be your friends.**

- Improves the overall security of your personnel and property
- Ensures unauthorized visitors are not left unsupervised with your assets (VISITOR – Escort Required)
- Creates a permanent record of meetings, dates and attendees for intellectual property disputes

3 **You can safeguard all on-site personnel and visitors (and your regulatory compliance, too).**

- In case of emergency, all staff and visitors can be marshaled to a safe area
- Ensures compliance with internal policies, occupational health and safety regulations, and government regulations (specific industries)

4 **You can make a powerful first impression with your visitors.**

- Enhances your corporate image with a professional-looking system and badges
- Creates an efficient sign-in process (and eliminates long lines in your lobby!)
- Improves productivity and eliminates human errors

VISITOR MANAGEMENT SOLUTIONS

Your trusted provider for visitor management software, supplies and badges

Your organization has its own unique visitor management needs, and we're here to help you find the exact solution that's right for you.

We offer a wide range of visitor management products that can help you keep your facilities secure, safe, and professional from the moment your visitors walk in the door.

Call us today and let us help you find a Visitor Management solution that meets the needs of your facilities and budget!

Our TEMPbadge® system includes:

- Professional visitor management software
- Durable direct thermal printer
- 1,000 self-expiring badges

Call us today to learn more and get a 15-DAY FREE TRAIL

VISITOR BADGE LOG BOOKS

Easy, cost-effective solution for recording and badging your visitors

The TEMPbadge® Visitor Badge Log Book is visitor management, simplified! This innovative sign-in system allows you to keep a record of your visitors and issue them a self-expiring visitor badge – all in one, easy step!

Confidential Visitor Documentation.
When a badge is filled out, a duplicate copy is recorded (which cannot be seen by future visitors).

Self-Expiring Visitor Badges.
For added security, the badge will display a red-colored "VOID" after the visitor has been onsite for the allotted time.

Easy-to-Use, Low-Cost Solution.
This simple sign-in system can serve as a complete visitor management solution – without any extra equipment or software!

Use our in-stock version (shown below) or create your own custom version with your logo, name, etc.
