ConExtra Container Shelf Bracket:  
Fixed, 3-Tier (14.875") Banker Box

Single Unit Weight: 14.5 lbs

**SB3212 ConExtra Container Shelf Bracket: Fixed, 3-Tier (14.875") Banker Box** was specifically designed with Banker's Boxes in mind. The SB3212BB is sold as a welded, single 3-tier unit. At minimum, two units are required to build one shelf system. The system is designed to utilize (2) 2 x 12's to create shelves that are 22.875" deep and allow for Banker Box sized storage on each shelf and under the bottom shelf (within a high cube height shipping container).

This system requires no tools to install, no modifications to the container and can be used time and time again.

Individual bracket arms are rated at 600 lbs., each with a total maximum bracket load of 1200 lbs. A two-bracket shelf provides a gross capacity of 2400lbs.

*\*Uses (2) standard 2" x 12" boards as shelves (sold separately).  
Pressure Treated lumber is not recommended.*

### Purchased Product Includes:

- (1) Welded Steel 3-tier shelving bracket
- (1) Steel T-shaped Stabilizer
