

OCTTAVA

2015 Grazioso Shiraz Barossa Valley

Music and wine are two of our deepest passions and we are makers of both. Our wines are thoughtful and melodious with a complexity of character that makes the spirit soar and the imagination sing.

Viticulture:

We choose only the best Shiraz fruit from vineyards planted in the 1880's. The grapes are small and powerful due to the low yields and careful vineyard management.

Winemaking:

The wines were fermented on skins for two weeks and matured in a mix of American and French oak hogsheads for 24 months. The result is an intensely flavoured wine with complex characters and a rich structure that can be cellared for many years.

Tasting note:

Rich aromas of plum and dark cherries with hints of sweet tobacco and star anise. The palate is dense and structured with fruit intensity and a lingering spicy finish. Made in limited quantities, our Grazioso wine can be enjoyed now or cellared for twenty years.

Alcohol:

14.5% alc/vol

Pack size:

6 pack
