

AIRPORT SALES ASSOCIATE AT DENVER INTERNATIONAL AIRPORT – Denver, CO

Topo Designs is looking for retail sales associates at the following locations:

Denver International Airport: Concourse A store; Concourse B store; Concourse C store

Please indicate if you are looking for:

PART-TIME (10-30 hours/week)

FULL-TIME (30-40 hours/week)

Note must be willing to work up to 2 holidays (Thanksgiving Day, Christmas Eve, Christmas Day, New Years Eve, New Years Day, Independence Day). Please indicate your availability and preference on Full or Part time when you submit your resume to careers@topodesigns.com.

Topo Designs makes classic outdoor gear inspired by who we are and where we live. We value simplicity and connectedness with the things we own. Topo Designs retail store employees provide exceptional customer experience, develop strong community relationships, and authentically communicate the brand message.

Experience/Education Requirements:

- 1-3 years experience in retail sales; store and lead management experience preferred
- 1 year of store lead responsibility running a store alone
- 1 year experience completing the daily task as an opener/closer

Responsibilities:

- Foster a vital customer base through outreach, building and maintaining relationships
- Assist with local and in-store events
- Handle high foot traffic, assist multiple customers, and drive sales to meet goals and targets
- Contribute to a team built on trust and mutual respect
- Understand, support and comply with company policies and procedures
- Implement merchandising strategies and directives
- Maintain a neat, clean sales floor and work space that accurately reflects the brand
- Maintain an organized and efficient stockroom
- Uphold a high level of asset protection
- Must be able to work a flexible schedule including nights and weekends
- Mastery of store POS system, office management software, and familiarity with social media outlets and tools

**Qualifications/Skills:**

- Self motivated and driven attitude to hit sales goals and become a Topo Designs product expert
- Strong verbal and written communications skills
- Must be an excellent problem solver with strong project management skills
- Possess strong interpersonal skills to communicate with confidence to both internal and external customers

Job Specifics:

- Customer-facing retail position
- Hours range from 5am - 10pm (8 hour shifts)
- Undergo a background check for security clearance at DIA
- Start Date: ASAP - it takes about 2 weeks to go through security clearing. During that time, we will have you train at our Denver Flagship store on a part-time basis

Topo Designs offers for Full-Time employees:

medical, dental, vision, 401k with a match, a mental health and activity allowance, 40 hours paid volunteer days, PTO, generous product allowance, meal stipend per month, parking reimbursement and a highly sought after company culture. The pay rate is \$18.50/hour.

Topo Designs offers Part-Time employees:

401k with a match, generous product allowance, meal stipend per month, parking reimbursement and a highly sought after company culture. The pay rate is \$18.50/hour.
