

Eyelash Extensions AFTERCARE

THE ULTIMATE GUIDE TO KEEP YOUR EXTENSIONS FOR LONGER

FIRST 24 HOURS AFTER APPLICATION

Avoid getting your lashes wet for 24 hours

Do not rub or touch your eyes

Sleep on back or side

Avoid wearing or inserting in contact lenses

Avoid exposure to excessive heat or steaming

Avoid spray or airbrush tanning

ONGOING AFTERCARE ROUTINE

Do not rub your eyes or plug eyelashes

Sleep on back or side

Don't shower with full stream water on your face

Use oil-free eye-lash foam cleanser to clean eyelashes

Brush through your eyelashes tips using a soft, bristle brush

Do not use oil-based products around or on your eyes

Use oil-free eyelash enhancer to minimize shedding

Don't use waterproof mascara or eyeliner

Avoid Chemical Peels and Facials on your eyes

Schedule an appointment to have your lashes refilled at 2-4 weeks, depending on your lash retention.
