

HARWICK OPTIONS

Floor Glides

Used for stationary situations.

Simply pull the casters out of the base and insert these urethane "stops" to keep the chair from moving.

Sold only in a set of 5.

Hard Floor Casters

Used in place of the standard casters for hardwood or tile floors. Easily inserted into the five star base.

These casters do not make as much noise or "skate" around as easily on harder surfaces.

Sold only in a set of 5.
