“All of us here at Do All Outdoors would like to congratulate Matt and Foster Bartholow on their record-breaking trapshooting season and would like to extend our appreciation for all they do to further the shooting sports and youth involvement.

Matt Bartholow won his third consecutive world doubles championship, marking an accomplishment that has never been done before. In addition, Matt shot 1,097 out of 1,100 registered doubles targets, the new world record high average for the ATA at 99.73% accuracy in a single season. Together, they worked with over 1,800 youth and coaches while at shooting events and free youth shooting clinics they host.

We’re honored to partner with the duo and look forward to enhancing the shooting sports by creating new and exciting products that will create a more positive and family friendly shooting environment for 2024!”
