CONCRETE SPRAYERS

**POWER
YOUR
WORLD**

TCS6.5

Larger Tank

Less stoppage time on job sites, more time spraying

Specifications

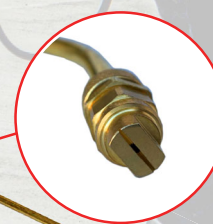

Engine	Tomahawk Power
Engine Type	2 Stroke
HP	1.8
Displacement	23cc
PSI	50 - 450
Solution Tank	6.6 gal
Fuel Capacity	35 oz
Start Type	Recoil / Manual
Recommended Fuel	50:1 Pre Mix
Weight	26 lbs
Package Dimensions	21" x 17" x 26"

Dolley Mountable

For larger pours mount to a dolley for longer, comfortable operation hours

Brass Fan Tip Nozzle

Achieve even spraying patterns with a fan tip nozzle and brass attachment

Adjustable Pressure

Never Pump and Never Lose Pressure for even spraying. Adjust to your ideal pressure up to 435 PSI

Out-Of-The-Box Ready

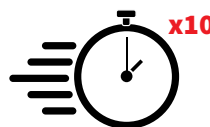

Includes brass attachment with flat jet nozzle, two misting wands, and hoses

Attachment Versatility

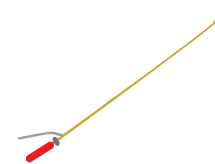

Choose your ideal nozzle (0.5gpm - 1gpm) and attach easily to the sprayer's compatible handle

FEATURES

- **Built for Professionals** - Perfect for applying most concrete finishing chemicals: such as curing agents, sealents, retardents, forming oils, and more up to 30% solids content.
- **Never Pump, Never Lose Pressure** - Maintain constant pressure up to 450 PSI for even spraying with powerful 1.8HP engine. Adjustable PSI to your ideal pressure needs.
- **Spray Faster** - Cover 15000 sq ft in 10 minutes or less! 10X Faster than Pump Sprayers
- **Superior Comfort** - With even weight distribution, enhanced padding and straps reduce fatigue
- **Attachment Compatible** - Works with most brass attachments for the ideal spraying pattern

**10X More Efficient
Manual Pump Sprayers**

**Attachment Kit Included
& Out-of-the-Box Ready**

**No More Pumping
With Gas Engine**

**One Year
Product Warranty**
