

CONCRETE SAW

POWER YOUR WORLD

TFS14H

Utilizing an adjustable pointer wheel assembly to ensure straight cuts up to 4.3 inches deep, the Tomahawk Power TFS14H Concrete Saw's specialty is flexibility and dependability. Specially crafted for performance, strength, and toughness.

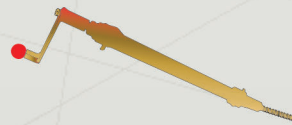

The TFS14H Concrete Saw is engineered for parking lot re-pavement. Its hinged front, lift-up blade guard make it extremely user friendly allowing for fast and simple blade replacement.

The TFS14H Concrete Saw's reinforced steel box frame design adds strength crucial to decrease vibrations while sawing, whether sawing concrete or asphalt, which helps to extend the saw life and enhancing the performance of the blade.

SPECIFICATIONS

Engine	Honda GX160
HP	5.5
kW	4.0
Max Cutting Depth	4.3 in
Blade Size	12 in - 14 in
Depth Adjustment	Handle Rotation
Driving	Manual Push
Water Tank Capacity	7.5 gal
Weight	170 lbs
Package Dimensions	61 x 19 x 38 in

Smart disc lifting device

Saw guide ensures straight cuts

Lifting bar for easy transport

*1-year Product Warranty
3-year Engine Warranty*
