25TH ANNUAL!

# SURVIVORS AT THE SUMMIT

CELEBRATING THE TRIUMPH OF THE HUMAN SPIRIT!

**Saturday • August 1 • 2020**

**SNOWBIRD SKI & SUMMER RESORT**

BREAKFAST ON THE PLAZA - Fuel your journey to the top! Bring your friends and family for a mountain breakfast while paying tribute to the courage and determination so many have exhibited in the fight against cancer. Breakfast is included with registration. Additional breakfast tickets may be purchased for \$5 each.

TRIBUTE FLAGS - Modeled after traditional Tibetan prayer flags, Tribute Flags honor those affected by cancer, survivors and those who have passed away. Tribute tethers are sold individually or in tethers for family groups or teams. Tribute Flags are hung at Hidden Peak Summit at Snowbird Ski & Summer Resort during our event for viewing as hikers, runners, mountain bikers, and lift riders meet together at the summit to participate in a Celebration of Life ceremony.

CELEBRATION OF LIFE CEREMONY - Held at the Snowbird Summit Lodge, the Celebration of Life Ceremony features inspirational speakers and live entertainment as you view the hundreds of tribute flags flying on the mountain side. Following the event, flags are returned to those who purchased them as a keepsake from this powerful and often life changing experience.

## **THE JOURNEY- HIKE, RUN, RIDE OR CATCH A TRAM TO THE SUMMIT.**

The Journey, no matter how you make it, symbolizes the individual "Summit" each person with cancer faces and strives to achieve. Join us on this 3.5 mile hike to Hidden Peak. A sea of personalized Survivors at the Summit Tribute Flags welcome each participant as they arrive. Those who are unable to hike may ride the tram. Tram tickets are included with registration.
