

THEO UP/DOWN

QPAR51, wall light, brushed aluminium, max. 2x50W

The THEO wall-mounted luminaire is made from aluminium. Thanks to the position of the two incorporated sockets, the installed high-voltage halogen lamp with GU10 socket produces two equal but oppositely arranged light beams (UP/DOWN). The electrical connection of the luminaire, which comes in three colours, is directly to the 230V mains supply.
