

THEO

outdoor wall light, QPAR51, IP44, square, up/down, white, max. 70W

Wall light of the THEO series is made from aluminium and glass, which covers the lamp. Thanks to the position of the two sockets which are fitted, the mounted luminaire produces two equal but opposite cones of light (UP/DOWN). It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection of the luminaire, which comes in three colours, is directly to the 230V mains supply. The THEO series contains other ceiling lights can therefore be used universally.
