

WARRANTY

Alfa ovens fully comply with the Italian and European proposed regulations. The oven is guaranteed for 2 (two) years against defects and craftsmanship; good maintenance and proper use can make sure that the oven lasts much longer.

Warranty covers parts and components for wood and 1 (one) year for labor on natural gas and LPG ovens. Shipping and assembly costs are charged to the customer.

The warranty does not apply in the following options:

- If the oven is not properly used and installed as described in this manual.
- If the oven has been damaged either voluntarily or involuntarily in any way.
- In the event the equipment is improperly or inadequately maintained. Burner problems resulting from debris or ash in the burner well will not be covered by the warranty.
- If the oven, for any cause, has been altered and is no longer in the condition detected at delivery of the product.
- If products have been used other than suggested. Do not use liquid fire starters for barbecues, other chemicals or products that contain liquid fuels.
- If the damage is the result of the use of chemicals inside or outside the oven.
- Normal wear of the burner, thermometer, ignition, electrodes, ignition cable, gas hose and refractory stones.
- Damage caused by exceeding the temperature limit of 500°C / 1000°F.
- Void if replacement components not produced or approved by Alfa are installed.
- Damage to parts not functional and decorative that do not affect the normal use of the oven, including scratches and colors differences.
- In the event that the rating plate has been removed, altered or obliterated.

We recommend the exclusive use of spare parts recommended by Alfa.
