

KAMADOJOE

2017 PRODUCT GUIDE

Kamado Joe SloRoller Hyperbolic Insert for 24-Inch Classic Joe's

Distributes smoke and heat throughout the kamado in rolling and recirculating waves

- Increases air flow for a cleaner burn
- Insert fits inside the kamado in place of a heat deflector and offers 20 times more smoke circulation than standard heat deflectors
- Engineered to slow cook at temperature ranges of 150 - 500 degrees Fahrenheit
- Works with Kamado Joe Big Joe III series kamados only
- **Model:** BJ-HYPER
