

## How to clean: Le Griddle

1- You need a SPATULA, ICE CUBES, SCOUR PADS & one OVEN/BBQ GLOVE

2- After using your Le Griddle, when it is still hot, Protect your hand with the glove, put the ice cubes on the cooking surface and use the scour pad with spatula as shown on the drawing below.

For easier cleaning use lateral movement to cleaning more easier

3- When the cooking surface is cold , you can use a scour pad with a safe cleaning product to finish it.
