INSTRUCTION MANUAL

IMPORTANT SAFEGUARDS

- Always operate your KYOWA Industrial Ground Fan from a power source of the same voltage and frequency rating as indicated on the rating label.
- Do not operate or place any part of your Industrial Ground Fan on or near any hot surface such as a gas or electric burner, hotplate or heated oven.
- Do not operate the Industrial Ground Fan if any part of it has been damaged. Return the appliance to the nearest authorized dealer or service facility for repair.
- Do not use or replace accessories of the Industrial Ground Fan, other than the ones originally provided.
- Switch OFF and unplug the Industrial Ground Fan from outlet when not in use or before cleaning.
- Always turn setting controls to OFF before disconnecting the cord from the power supply. Hold plug when unplugging from socket. Do not unplug by pulling the supply cord.
- To reduce the risk of electric shock, do not immerse or expose the Industrial Ground Fan to rain, moisture or any liquid.
- Keep out of reach from children or from persons with mental or physical disabilities.

PARTS DESCRIPTION

HOW TO ASSEMBLE

1. Mount the BACK GRILLE on the MOTOR ASSEMBLY by aligning the holes on the guide.
2. Tighten the GUARD LOCK.
3. Insert the BLADE into the SHAFT. Tighten the SCREW provided for the blade.
4. Clip the FRONT GRILLE to the BACK GRILLE.

Please handle metal blade with extra care. Hold at the center as you assemble.

CLEAN AND CARE

- Carefully wash movable parts of the Industrial Ground Fan with water and mild detergent.
- Avoid any kind of liquid to seep into the motor of the unit.
- Avoid using harsh or abrasive cleaning materials when cleaning.
- Wipe dry Industrial Ground Fan with a soft and dry cloth.
- Put back parts and accessories of the Industrial Ground Fan to their proper position before operating again.

SERVICE

- Do not operate your KYOWA Industrial Ground Fan if the unit malfunctions or appears damaged in any manner. Bring the complete product to the place of purchase or to any authorized KYOWA dealers for inspection, repair or replacement.
- Do not disassemble your KYOWA Industrial Ground Fan by yourself. No user serviceable parts inside. Refer all needed repair to an authorized KYOWA service facility ONLY.
