About us

LCK Seafood is a Singapore based distributor, serving our local establishments for over 60 years. Tapping on our experience and close contact with a wide network of suppliers, we are able to procure quality products from trusted sources to meet the standards of our clients.

We offer a variety of live, fresh and frozen to serve the diverse cuisines in our local community. Armed with our licensed processing factory and a delivery fleet, we are here to provide solutions and overcome constraints of the modern F&B scene.

Talk to us sales@lckseafood.com. Or, you may check out our selections at our online store.
